- **Please schedule any doctor or dentist appointments for another day. We will not interrupt a testing site to dismiss a student.**
- It is important that all students be present and on time on these test dates.
- Students will need to be present all day for the exam.
- According to HISD Policy, students are not allowed to have cell phones or other electronic devices during testing. If possible, these items should be left at home. If any of these items are brought to school, they must be turned in to the teacher before testing begins. If a student fails to follow this policy, it may result in their test scores being invalidated and disciplinary action being taken by the school.
- A good rest the night before the test and a good breakfast the morning of the test are helpful in ensuring that students perform their best on test day.
- No breakfasts will be served in the classrooms on test dates. Students may eat breakfast at school in the cafeteria on these days beginning at 7:30 a.m.
- No lunches will be served in the cafeteria on test dates. Students will eat lunch in their test location. Sack lunches from the cafeteria will be prepared for any student who needs a lunch.
