

Johnston Middle School Piano Practice Journal For Grading Cycle #3 Nov 7-Dec. 16, 2011

Name _____ Period _____

Journals are graded on the substance of your goals or the specific content, skill/s, technique for the piece and section/s chosen for your practice. State your practice objective or what you want to accomplish/learn/improve and how or by doing what? Example – “play correct notes by analyzing fingerings.” Choose 8-16 measures or 1 section. Avoid general statements such as “All”, “Whole thing” as they do not meet required detail and will lower your grade.
