

Team 7M 2009-2010

Mr. Brown, Mr. Garner, Mr. Rivera and Mrs. Rogers

Dear Parent(s) and Student,

Welcome to the 7th grade. We hope that you find this year engaging and challenging. Throughout the year you will find some new challenges, both academically and socially. The work will be more rigorous and may require more time and effort from the students.

The 7M team has a few expectations of every student that walks in to the classroom. The student is expected to:

- Be on time
- Be prepared with materials
- Be in dresscode
- Follow all school policies

Johnston Middle School has adopted a school-wide grading policy. The policy is as follows:

- 10% homework
- 15% projects
- 20% quizzes
- 25% class work
- 30% tests

To schedule a conference, please email Sarah Rogers at srogers6@houstonisd.org. She will email a response to the request within 48 hours. All conferences will be held on Purple days during 4th period (2:30 - 3:00). The team will do its best to include all of the student's teachers, the house administrator when possible, the student and the parent(s).
